Program Structure
Year 1 is the Freshman Program, which includes the foundations for a business program, and also a strong emphasis on business communications. The freshman year is offered in Singapore only.

Year 2 The sophomore year continues the general business program, but also introduces students to their field specialization in either marketing or finance. All students complete 3 credits in both marketing and finance, and at the end of this year our students choose to continue in either one of these streams. In 2012/13 the sophomore year will be in Singapore, but from 2013/14 the sophomore year will be offered in Dubai only.

Year 3 and 4 are completed in Sydney, Australia. Students complete credits in their chosen field, and also complete a research project in their final year. In order to receive a student visa to study in Australia students must have a valid IELTS test score (or equivalent) with a minimum score of 6.0.

Courses/subjects available

In each year of our program students complete a fixed schedule of courses. Exchange students could choose from the courses available in adjacent years, subject to completing pre-requisite courses.

Each semester there is a mix of business courses and liberal arts subjects, and it is normal to complete at least one liberal arts course each semester.
Exchange/study abroad students coming to S P Jain are free to choose undergraduate courses, subject to the fact that they have satisfied the pre-requisite requirements. At S P Jain there are no course quotas, so the exact courses chosen would be subject to approval both by S P Jain and by a student’s home institution.

### Other Information (with website)

S P Jain is one of the premier business schools offering MBA, EMBA and BBA degrees since 2004. Our students have enjoyed the global exposure gained from studying in both Dubai and in Singapore, and starting 2012 all of our students will also study in Sydney, Australia. All our programs are accredited by the Department of Education and Training, NSW, Australia.

The Association of MBAs (AMBA), UK - the Gold Standard in MBA Accreditation - has accredited S P Jain's MBA program. It is also accredited by ABEST21 (The Alliance on Business Education and Scholarship for Tomorrow) Japan.

While S P Jain is a new school, within a short time span it has already achieved great success, with the Financial Times, UK, ranking S P Jain in the top 100 MBA programs worldwide for the past two years.
