

## BRE & ABE (UNNC)

### BREEAM Training & Certification Program

#### 01 Introduction

The department of Architecture and Built Environment (ABE) at University of Nottingham Ningbo China (UNNC) in collaboration with Building research Establishment (BRE) China are providing three unique training Schemes under the BREEAM assessment framework to certify Student, Staff, Alumni at UNNC and other interested parties. Details of schemes are given below:

##### (1) Fully qualified BREEAM International New Construction assessor

(Only for Staff/Alumni and 3rd parties)

[Click here for details - BREEAM AP - Online | BRE Academy](#)

##### (2) Fully qualified BREEAM Accredited/ Advisory Professional (AP)

(For ABE students, staff, Alumni and 3rd parties)

[Click here for details - BREEAM International New Construction Online Training Course | BRE](#)

##### (3) Fully qualified BREEAM Approved Graduate Training Programme

(Only for ABE student)

[Click here for details - BREEAM Approved Graduate Training Programme | BRE Academy](#)

#### 02 After completed, you will be able:

1) advice, consult or assess the sustainability of buildings.

2) useful for further study or working abroad in:

Architecture; Sustainability; Smart Buildings, Building Services/Engineering; Environmental Design; Civil Engineering; Urban planners.

3) boost employability but also provides additional expertise in the area of Sustainability Design.
