## My Award

Student ID: 9999999

Last Name: XXXXXXXXXXXX

Given Names: XXXXXXXX XXXXXXXX

The School 'Department of Mechanical, Materials and Manufacturing Engineering' has made the following provisional award recommendation:

**Programme:** BEng Hons Mechanical Engineering

**Qualification Obtained:** BEng Hons

**Classification:** 2:2

**Conferral Date:** 16/07/2013 **Period:** Morning

If you have queries about your award result, please contact your [School](#) in the first instance or e-mail [Studentadministration@nottingham.ac.uk](mailto:Studentadministration@nottingham.ac.uk) if you are unable to do this. (Medical Students please note: If a classification is showing above, this relates to your BMedSci qualification. If your BMBS is being awarded with Honours this will be displayed as a Special Feature.)

Award results are correct at the time of publication but may, in exceptional circumstances, be subject to change. Your award will be officially confirmed at the above Graduation Ceremony, whether or not you have decided to attend. You will graduate with your name shown in the following format: first name(s) family name as above. If you are expecting to graduate under a different name please contact [Studentadministration@nottingham.ac.uk](mailto:Studentadministration@nottingham.ac.uk) immediately.

Your degree Certificate and Diploma Supplement will be handed to you when you graduate. If you registered to graduate in absentia, by replying to the Graduation invitation, your Certificate will be sent to you approximately six weeks after the Graduation Ceremony. Otherwise, if you did not register to attend the Ceremony your Certificate will be stored in Student Administration (normally for up to ten years after Graduation) until an address is provided.

**If you have any outstanding debt to the University your degree will not be conferred and you will not be allowed to attend the ceremony, so please double-check that you don't owe anything to the University.** Please check the 'My Finance' channel on the [Me](#) tab on the [Portal](#) or contact the [Finance Office](#).

## Further Information

If you have any question about any aspect of your graduation ceremony, please see the [Graduation](#) web pages in the first instance.

## And finally

On behalf of the University, we hope that you have had a valuable, enjoyable and rewarding time at the University of Nottingham. Many congratulations on your achievement and we hope that you have a successful future.

Programme: MEng Hons Chemical Engineering

Session: 2012/13

**Congratulations! You have successfully passed the current stage of your degree.**

You are allowed to continue with your course in the next academic session. If you need any help or information about the next year of your course, contact your [School/Department](#).

### Registering for the next academic session

As long as you have no outstanding debts, you are eligible to register with the University for the next academic session. Visit the [Registration page](#) for information on Registration. Students who receive a student loan will not be paid the first instalment until three working days after the first day of term and only if their registration is completed.

### University Bursaries

If you received a Core Bursary last year from the University and believe you should also receive one in the next academic session, you will need to re-enter your bank details into the [Portal](#) once the 'eligible' message appears on the 'Me' section. All bank details from the current academic session will be deleted from the University's records on 29 July in order to comply with Data Protection.

If owing to a change in household income level, you think you will now be eligible for a Bursary in the next academic session, go to the [Portal](#), 'Me' tab, once you return to University in September and follow the on-screen instructions.

Further information may be obtained from:

Financial Support Student Services

By telephone on: +44 (0)115 823 2071

By e-mail: [bursaries@nottingham.ac.uk](mailto:bursaries@nottingham.ac.uk)

**Please note:** Some students will NOT be eligible for a University Bursary – please check your eligibility.

### And finally

Many congratulations on successfully completing your studies this session. We look forward to seeing you at the start of the new academic session.

You can see your results in the My Marks section of the Portal.

### You are currently unable to progress to the next stage of your degree.

This means that you have not satisfied the University's [Progression Regulations](#).

Owing to Extenuating Circumstances you have been granted first sit opportunities in some of the modules you undertook in the current session and have reassessment opportunities in other modules. In order to progress to the next stage of your course you must successfully undertake these assessments. If you need any help understanding what is expected of you contact your [School/Department](#).

Information on assessment opportunities is shown below:

Please note that this may include assessments you have already had the opportunity to take.

Key: cw - coursework (deadline for submission will be 1 September unless otherwise specified).
