

2020 Campus Culture & Art Festival Opening Gala

2020 Campus Culture & Art Festival Opening Gala was held on 21st Oct at D.H. Lawrence Auditorium. As the first activity of the festival, various programmes were presented on the stage which were applauded by the audience. In the following month, a series of workshops and activities will be organised, such as Chinese Orchestra Workshop, University Song Lyrics Competition, Society Night, and etc.

DCL Workshop Is Back

The Department of Campus Life (DCL) has, for several years, organized and delivered a series of intriguing workshops to enrich students' extracurricular experiences. This semester, DCL will continue to present the project of "DCL Workshop". On 14th Oct and 21st Oct, a wine appreciation workshop and an oil painting workshop have been organized respectively. Relevant WeChat posts have been viewed by around ten thousand people and over one thousand applicants signed up for the workshops. If you would like to join, please follow us at DCL's official WeChat, 'UNNC_DCL', and sign up for the activities.

2020 National Scholarship and Bao Steel Scholarship

2020 National Scholarship and Bao Steel Scholarship received 101 applications from final year students. As a result, 13 students stood out among the excellent candidates and were awarded not only for their academic performance (top 10% in year 3) but also for their excellence in social engagement and innovation.

2020 President Award for Outstanding Master Graduate

2020 President Award for Outstanding Master Graduate is founded by Professor Fujia Yang, President of University of Nottingham Ningbo China. This scholarship aims at awarding graduates with excellent achievements in both academic realm and extracurricular engagement. It is formulated to stimulate graduates' passion of pursuing their dreams. This year, 3 out of 15 postgraduate applicants won this scholarship.

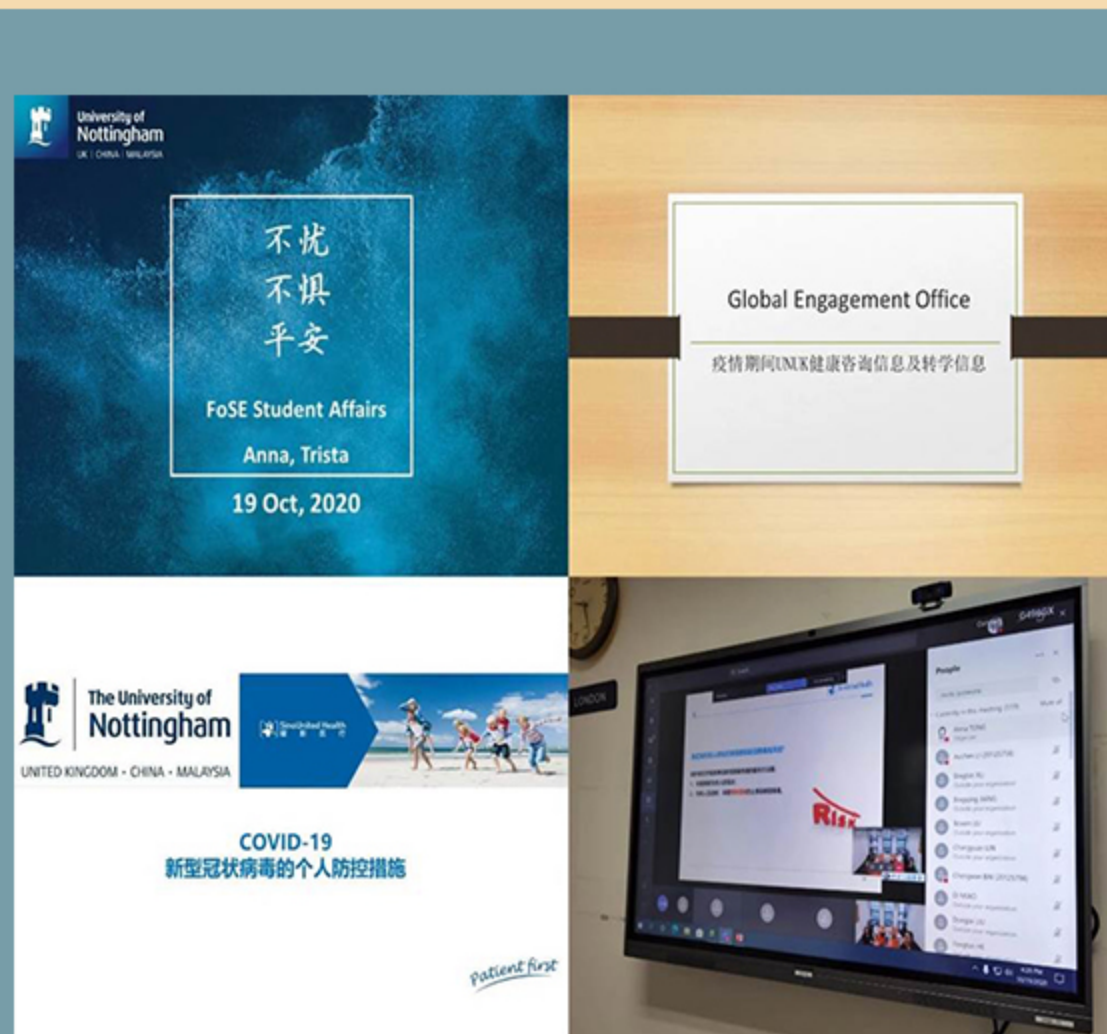

SPP Students Registration

On October 7th, 2020, SPP students arrived on campus and completed their registration. A welcome session and mini induction week were organized to help them adapt to the campus life as soon as possible.

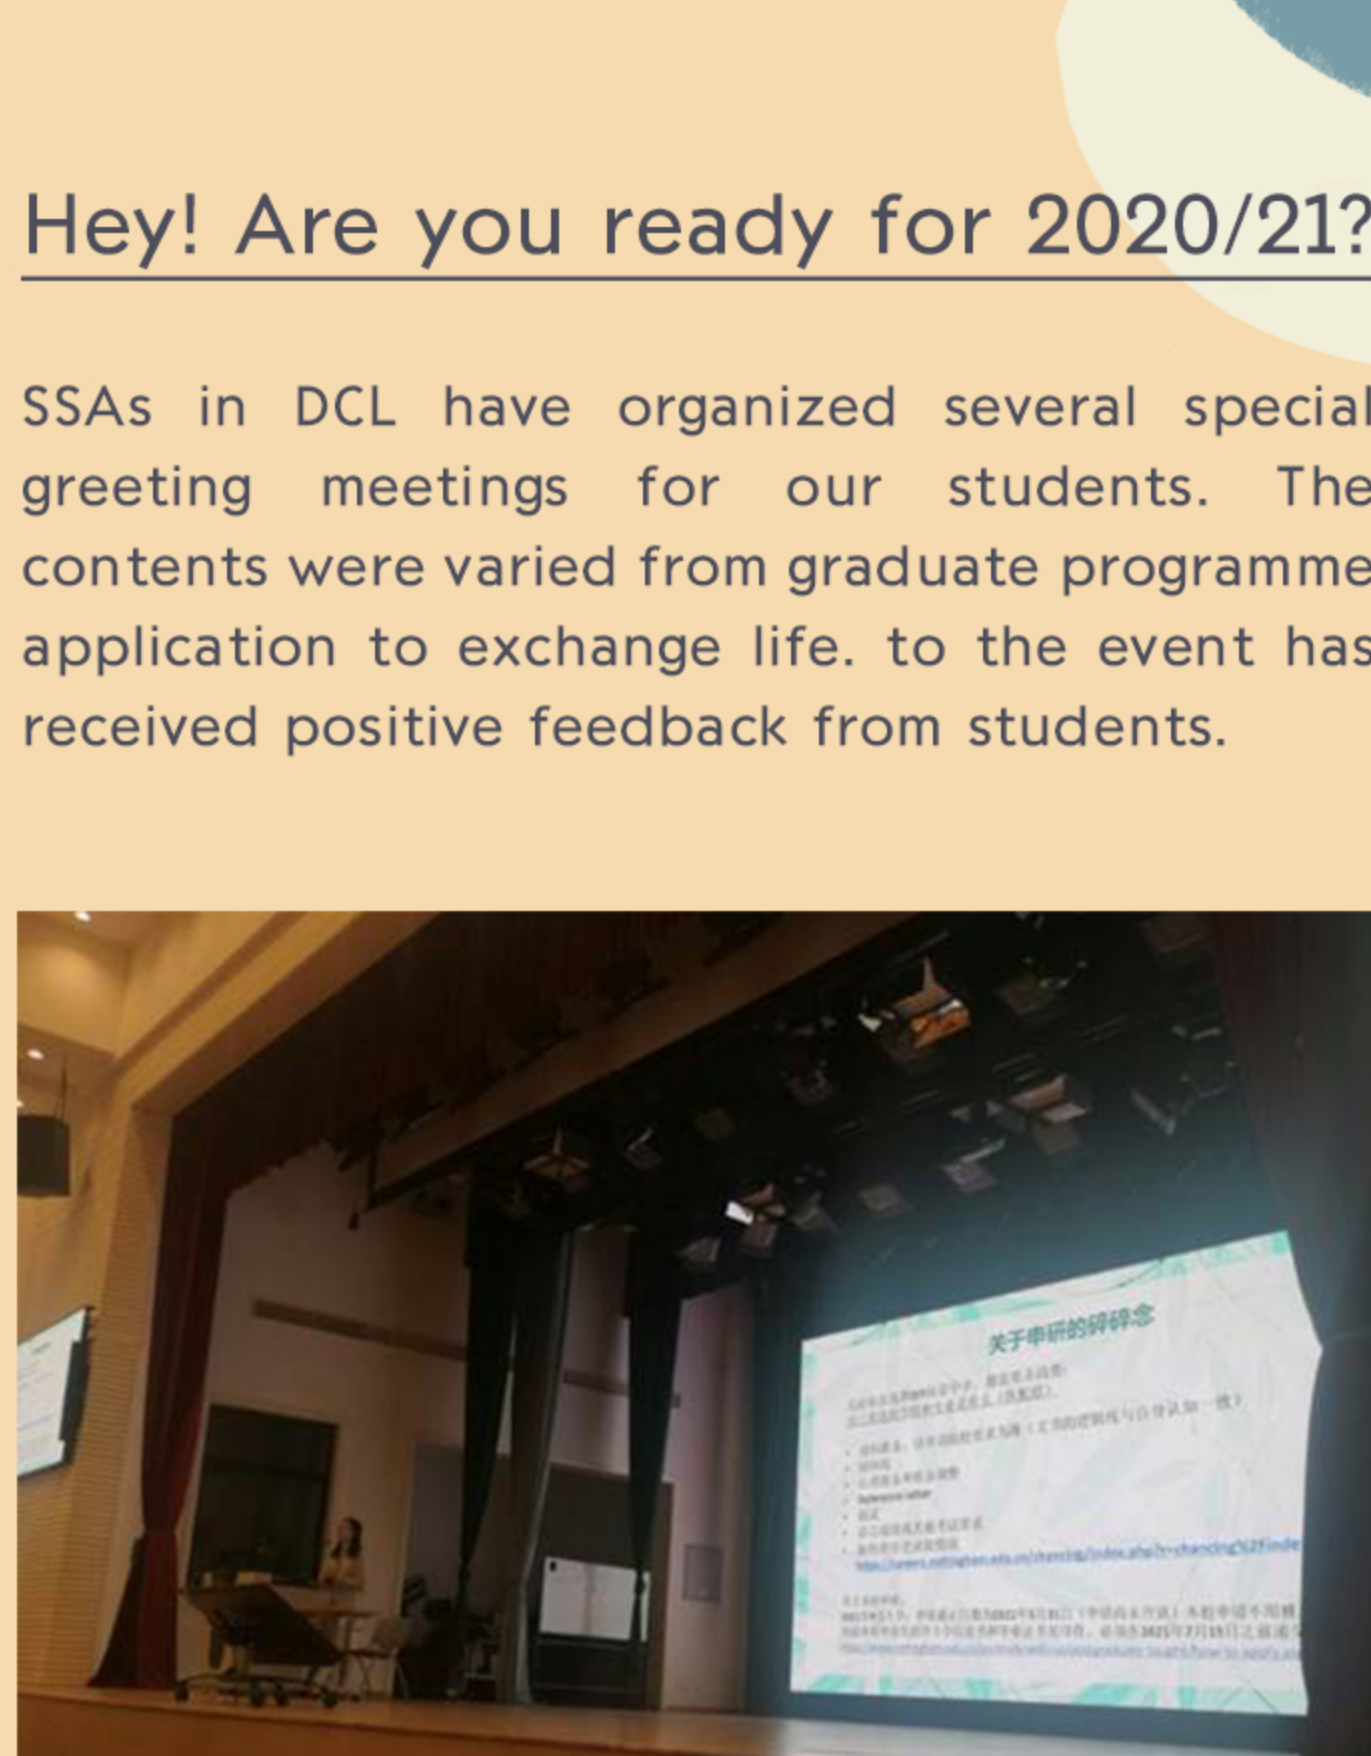

'2+2' Exclusive online class meeting

On October 19th, themed "Gather in the cloud and fight the epidemic together"--"No Worry, No Fear, be Safety", the 2+2 student-exclusive class assembly of the FoSE started on Microsoft Teams platform on time. Through the meeting, students in UK were provided with useful information to ease their worries and anxiety caused by the epidemic situation.

Mental health lecture about depression

On Oct 6th, 2020, DCL invited a doctor from Kangning Hospital to deliver a lecture on depression. The lecture shared information on the concept of depression, methods to face depression and how to cope with it as well as some tips to resist anxiety.

The shared umbrella project

The shared umbrella project is launched by FoSE Youth League on Oct 10th, 2020. There are three sites set for the shared umbrella including the north gate of PMB, the south gate of PMB and the gate of DCL in building No. 23. Each site has 10 umbrellas. The umbrella is designed by a member of FoSE Youth League and the image of Nuomi Tuantuan is used for the design.

FoSE CPC General Branch Events

The CPC FoSE was newly established at the beginning of this semester. There are totally 6 CPC branches including CPC FoSE student NO.1-5 party branch and CPC FoSE New Materials institute party branch.
