Global Mobility Opportunities

AT UNIVERSITY OF NOTTINGHAM MALAYSIA

Discover the First British Overseas Campus

Celebrating 25 years in 2025, the University of Nottingham's Malaysian campus is the first British university to establish a campus overseas. It earned the Queen's Award for Enterprise in 2001 and the Queen's Award for Industry (International Trade) in 2006.

At the University of Nottingham Malaysia (UNM), students receive a truly international education that prepares them for global careers and leadership roles in an ever-evolving world. Located in Semenyih, Selangor, just a short journey from Kuala Lumpur, UNM provides a dynamic learning environment that blends UK academic excellence with regional relevance.

As a founding member of the prestigious Russell Group, UNM delivers a globally recognised UK degree at an affordable cost, giving students access to high-quality teaching, cutting-edge research, and strong industry connections. With a diverse community representing over 70 nationalities, students gain an international experience in the heart of Southeast Asia.

Experience Malaysia: A Gateway to Asia

A Unique Cultural and Educational Experience

UNM stands out for:

Ranked 108th*

UNM stands among the world's best universities globally.

Global Study Opportunities

Flexible pathways to study at the UK and China campuses or partner universities worldwide.

A global alumni network

Unlock endless opportunities through a global alumni network of over 340,000.

High Graduate Employability**

UNM graduates earn up to 2x the national average salary and are highly sought after by top employers.

World-Class Research & Industry Links

Cutting-edge research and strong collaborations with leading global organisations.

Vibrant Campus Life

A modern, eco-friendly campus with extensive facilities, clubs, and societies to enhance student life.

Studying at the University of Nottingham Malaysia means more than just a world-class education—it's an opportunity to immerse in Malaysia's rich culture, diverse environment, and thriving economy.

Multicultural Society

Experience a melting pot of Malay, Chinese, Indian, and international influences, creating a welcoming environment for students from around the world.

World-Famous Cuisine

Enjoy some of the best food in the world, from street food favourites like nasi lemak and satay to high-end dining experiences.

Breathtaking Landscapes

Explore tropical rainforests, pristine beaches, and UNESCO World Heritage Sites within easy reach from our campus.

Safe & Affordable

Malaysia offers a high quality of life at an affordable cost, with excellent public transport and modern infrastructure.

A Regional Business Hub

As a key player in ASEAN, Malaysia provides students with exposure to global industries, multinational corporations, and start-up ecosystems.

*QS World University Rankings 2025

**based on the UNM Graduate Destination Survey (June 2023), with a national average of RM2,700

Expand Global Opportunities for Your Students with UNM's Mobility Programmes

Partner with the University of Nottingham Malaysia (UNM) to offer your students an exceptional international study experience. Through our mobility programmes, students can immerse themselves in a global academic environment while earning credits towards their degree.

Study Beyond Borders

UNM provides international students with a range of mobility opportunities, including:

Inter-Campus Transfers

Students can transfer between UNM, the UK, and China campuses, experiencing different academic and cultural settings while earning a University of Nottingham degree.

Exchange Programmes

Students can study at UNM for one semester or a full academic year, gaining international exposure while remaining enrolled at their home institution.

Summer Schools

Short-term, high-impact academic and cultural experiences designed to develop global perspectives.

Study Abroad at UNM

Give your students the chance to experience a truly international education at the University of Nottingham Malaysia (UNM) through our Study Abroad Programme. Fee-paying students from any university worldwide can spend a semester or full academic year at UNM, immersing themselves in a world-class learning environment while enjoying Malaysia's rich culture and dynamic economy.

Articulation Pathways

Seamless progression routes enabling students to begin at their home institution and complete their degree at UNM.

Our Partners

Northeastern University

Beijing Foreign Studies University (BFSU)

Linyi University

University of Electronic Science and Technology of China (UESTC)

Seamless Progression to a Globally Recognised Degree with UNM

Partner with the University of Nottingham Malaysia (UNM) to create articulation pathways that offer your students a clear, structured route to earning a prestigious UK degree. Through articulation agreements, students can begin their studies at your institution and seamlessly transfer to UNM to complete their degree, gaining international exposure and enhanced global employability.

We are committed to developing new progression pathways with university partners and welcome collaborations with institutions looking to expand global study opportunities for their students.

Let's work together to build a seamless academic journey for your students. Contact us to explore partnership opportunities!

DOING

2 – 16 JULY 2025

BUSINESS IN ASIA:

Why Join Us?

- 1 Gain valuable academic and employability skills
- 2 Experience Asia's dynamic business landscape
- 3 Build international friendships and networks
- 4 Explore a multicultural and exciting destination

“The UNM International Summer School allowed me to immerse myself in Malaysian culture. I had a wonderful opportunity to meet new people and witness Malaysia's beauty in just a few days. This summer school is one of the experiences that I will live to cherish!!”

*Tebogo Molutsi Mothapo, South Africa,
2023 Summer School Graduate*

“Inside and outside of the classroom, the mix of teaching, activities and inclusive excursions allow you to gain a rich understanding of Malaysian culture, politics and history. You will leave Malaysia with new and unforgettable experiences, memories and friends!”

*Emma O'Flaherty, UK,
2023 Summer School Graduate*

“I never had an international exposure for studies throughout my life and it's the best opportunity ever. The programme was a whole package of valuable experiences to explore different cultures, travel around spectacular places, make new friends, teamwork and opening our minds to see the harmony of a Southeast Asian country I always wanted to visit. I feel very warmly welcomed.”

*Thin Thazin, Myanmar,
2023 Summer School Graduate*
