# Summer Programme Introduction

Global Engagement Office recognizes the importance of studying abroad to broaden students' academic experience and intellectual horizons as well as benefit students' future career development.

For the year 2026, we have selected around 20 summer school programmes offered by UNNC partner universities around the world. For 2 to 8 weeks during summer, students will have a taste of what it's like to study at some of the best universities around the globe and interact with students coming from different backgrounds. Moreover, the relatively short period and flexible curriculum allow students to arrange schedule that best suits their needs and develop knowledge of a foreign living environment and teaching methods.

# Asia Summer Programmes

## FASStrack ASIA: The Summer School 2026, National University of Singapore

Programme dates: 30 June - 17 July

A 3-weeks summer programme based in NUS UTown, FASStrack taps into NUS research strengths in the region and offers Asia-themed courses across disciplines to enrich students' knowledge and understanding of various regional topics and issues. Students get to attend classes held in a dynamic and multi-cultural learning environment with both NUS and international students. Some of these courses feature local fieldtrips to facilitate experiential learning outside the classroom. In addition, students have opportunities to explore and learn more about Singapore's culture and heritage through social events. # Application for tuition waived places

Some of UNNC's partner universities accept summer school students under the existing exchange agreement, the nominated UNNC students don't need to pay tuition for attending summer school. However, students should be prepared to cover their living expenses, air tickets, insurance, etc by themselves during summer school.

The following five universities are offering tuition-waived places:

- Radboud University: 6 places
- Aarhus University: 9 places
- Technical University of Denmark: 3 places
- Kedge Business School: 8 places
- Kühne Logistics University: 2 places

**Undergraduate degree students in Year 1 whose average mark of the autumn semester of 202526 is 65 or more, or Y2 and Y3 students whose average mark of 202526 is 60 or more are eligible to apply for the tuition waived places. As most summer programmes require academic background, Y2 and Y3 students' applications will be preferred.**

If you want to apply for the tuition-waived place for a certain programme, please download the application form from the summer school website (<https://www.nottingham.edu.cn/en/global/summer-programme/overseas-summer-programme.aspx>) and send application documents to [International-summer-school@nottingham.edu.cn](mailto:International-summer-school@nottingham.edu.cn) by the deadline of 1 March.

All applicants will be notified of the nomination result by email around the mid of March.

# Frequently Asked Questions

**1. Can summer school credits be transferred back to UNNC?**

No. Summer School credits are not accepted toward degrees at UNNC.
