About Incubator

关于我们

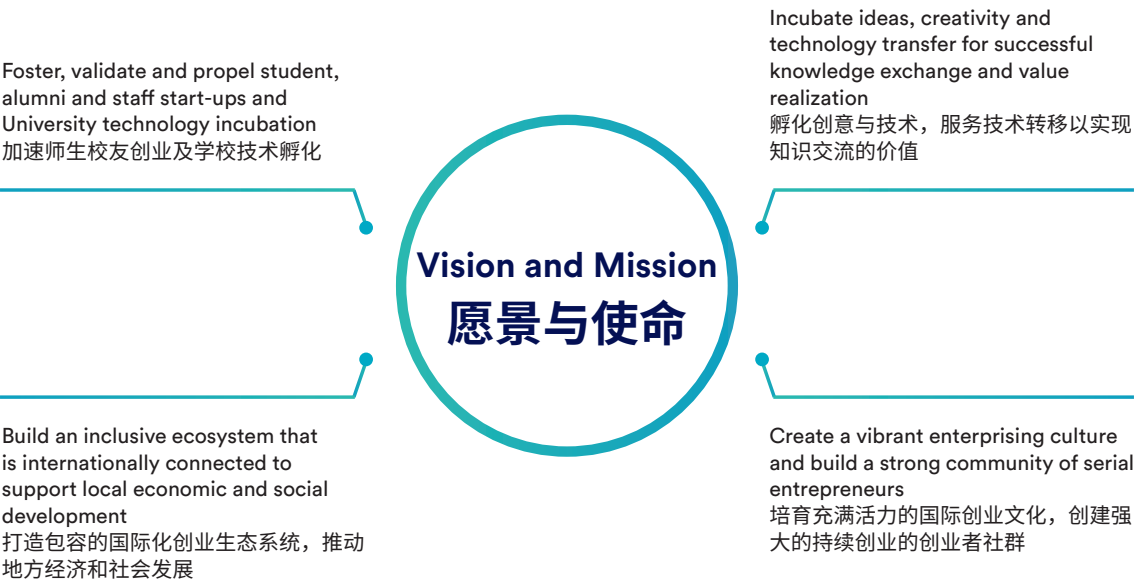

Launched in September 2017, the UNNC Incubator is the University's business hub for innovation and entrepreneurship. It is a university level platform connecting global technologies and ideas with the local opportunities and needs to deliver local impact. It is named after Dr Li Dak Sum in honour of his generous support to the University and to commemorate his spirit of giving back to the community.

Today the Li Dak Sum Incubator is home to 48 start-ups with over 120 entrepreneurs from 10 countries and regions, over 80% of these companies with international background. It nurtures a globally engaged University community of entrepreneurs including start-ups and international soft-landing projects, providing a full life-cycle innovation and entrepreneurship pathway through I&E practice, incubation services and global partnerships.

The Incubator has been awarded as Ningbo Science and Technology Business Incubator in 2021, Ningbo Number One Project Best Practice in 2023, and Zhejiang Provincial Innovation and Entrepreneurship Base in 2024.

宁波诺丁汉大学国际创新创业孵化园成立于 2017 年，为致谢宁波帮知名实业家、慈善家李达三先生的爱心捐赠而更名为李达三孵化园。孵化园立足诺丁汉大学的国际化资源，致力于构建从实践到孵化、再到加速的全周期国际创新创业生态体系。经过多年发展，园区集聚了来自港澳台和世界各地的超百名归国创业者，孵化培育了近五十个高质量国际化创业项目。2021 年园区获评宁波市市级科技孵化器，2023 年获评宁波市一号工程最佳实践，2024 年获评浙江省侨联创新创业基地。园区目前是浙江省唯一一家以“国际引才”为主题的大学孵化园，亦是浙江省高校台湾青年创新创业基地。

To be a bridge connecting international talents and business resources with local needs, and to be an international hub to deliver UNNC impact in innovation and entrepreneurship locally and globally.
立足本地，链接全球人才和商业资源，打造宁波国际化创新创业中心。

Innovation and Entrepreneurship Practice 创新创业实践

Li Dak Sum Incubator is an essential part of University-level innovation and entrepreneurship development Pathway for UNNC students delivered through project-based interdisciplinary experiential learning.

Working alongside three Faculties and Department of Campus Life, it contributes to the UNNC Campus Development Plan through developing innovative and entrepreneurial talents, cultivating high quality start-ups, building entrepreneurial platform. Bringing in ideas with them, students develop through successive training from basic courses to themed studio, from basic courses, intensive bootcamp and access to domestic and international competition, and ideas evolve into start-up projects with like-minded team members and funding.

李达三孵化园是宁波诺丁汉大学创新创业发展路径的重要实施部门，为学生提供项目制、跨学科、体验式的创业实践和学习。

孵化园与各学院、学校各职能部门紧密合作，通过培养创新创业人才，培育高质量创业项目，构建创业生态平台为大学的校园发展规划做出贡献。学生带着创意和想法，通过系统性的学习与实践，从基础课程到主题工作室，再到强化训练营和竞赛，逐步将想法演变成创业项目，组成园队，获得资金和导师支持。
